

Supply of power to I. P. Sets since 1st January 1950 throughout the State.

Q.—97. Sri R. MUNISWAMIAH (Bangalore North—Scheduled Castes).—

Will the Government be pleased to state :—

(a) the number of persons that had applied for supply of power to irrigation pumps since 1st January 1950 throughout the State; (information to be furnished under the heads given below) :—

A—Names of persons supplied with power.

- (1) Date, (2) District, (3) Taluk (4) Village, (5) Applicant's name, (6) the date of supply of power.

B—Names of persons not supplied with power.

- (1) Date, (2) District, (3) Taluk, (4) Village, (5) Applicant's name, (6) Date on which surveyed, (7) Date of completion of estimate, (8) Date of sanction of estimate, (9) the reasons for not supplying as yet, (10) the probable period within which supply may be made;

(b) the number of transformers, electric poles and the length of wire required for supplying power to those in the waiting list;

(c) the names of companies to which orders have been placed for supply of the articles required (District-war information to be given) ?

A.—Dr. R. NAGAN GOWDA (Minister for Agriculture).—

(a) The number is in the order of seven to eight thousand. The preparation of the lists would involve an amount of time and labour which would not be commensurate with the results that may accrue from the collection of such data.

(b) It is not possible to furnish this information as estimates have yet to be prepared in several cases, after the prescribed requirements are fulfilled. Compliance with fresh applications also depends on the availability of power.

(c) The requirements under various estimates are consolidated and orders placed through the Stores Purchase Committee. It is therefore not possible to furnish districtwise information.
